

Question 8, other

I believe growth is great. Some of the city codes could use revision to help with growth.

Beach, wild life, water sports, trails

Proximity to lakes and less traffic, but close 101 access.

Access to the lakes

The wild life

Remote area

No taxes

Nice neighbors

Privacy .

Hometown

Would like to see the speed limit reduced on Clearlake Road. Not only is it dangerous for cars to go so fast it is very loud as well. Speed bumps may get work better than a reduced speed limit.

We DO NOT appreciate Dunes City government. We would like to dissolve it.

I love than when our extended family comes to visit there are options of vacation rentals for them to enjoy and they do not need to stay in hotels in Florence

Clean air, clean lake

Privacy

Love living here. Built our dream home and looking forward to the rest of our life here.

Clean water and air

Wish the council worked "with" us as a community instead of "policman against the people"!

You did not provide all the pros of disincorporation. The pro and con statements were swayed one direction

Security in gated community

Access to lakes, trails, parks

limit and penalize STR rentals.

Lights

Low population density

Was not sure how to answer quietness. It has been extremely important to my entire life i.e. I would rate it a yet, yet Dunes Ciity as it exists with ATVS and vacation rentals is anything but and actually would rate a 1.

Air quality, weather

Good fishing

Close to the lakes

I love a lot of the people here, and numerous other comments
